

Gastric Problem

Name : Abdul Subhan

Age : 65 years

Sex : Male

Place : Davanagere, Karnataka

For the last three years I have been suffering from heart burn and my stomach used to swell up. This also induced gastric pain throughout my chest and stomach. It also became difficult for me to even use the toilet. Then while attending a seminar, I met Abdul Samad who introduced me to **Indian Noni**. From that day onwards, I am a truly healthy man once again. **Once I started taking Indian Noni, I am completely free from Gastric problems.** I feel healthy, extremely energetic and active. I have also recommended Indian Noni to my family as it is truly sent by God.

Gastric Problem and Poor Vision

I am a 63 year old retired, KEB employee from Karnataka. I had severe Joint Pains, Skin Allergy, Gastric Trouble, Back Pain and Poor Vision with discharge from the eye. All this had made me feel very weak. A friend of mine, Mr. B.R. Ranganatha introduced me to **Indian Noni** in October 2003. After drinking it for more than three months, I am a healthier man now. **My joint pain have reduced by 60% and my Skin Allergy has reduced by 80%. The Gastric Problem and my Back Pain has completely disappeared.** And to add to this wonder, **I can see clearly now, and the discharge from my eye has stopped. Indian Noni** is truly nature's gift and it is very good for all. It has changed my life - and I'm sure it will change many others' lives too !

Age : 51 years

Sex : Male

**Place : Kalikamba Road, Santhenbennl,
Channagiri (T), Davanagere,
Karnataka.**

I am a government employee and a Grama Panchayat Secretary. I am suffering from Gastritis for the past 5 years. So many doctors have treated me and I took the tablets morning and evening every day as per their prescriptions, but there is no positive results at all. My first son is associating with the leaders of Empower India Movement for the past three months. He was introduced to **Indian Noni**. Through him I was also initiated into this Indian Noni therapy and now **I am free from Gastritis**. I have got 100% good results within a month. In my family there are five members. At present all the five members are using **Indian Noni**. All of us are so happy. Hearty thanks to Prof. Dr. P. I. Peter. Thanks a lot from whole of my family. A miracle of the world, it is really the 8th wonder of the world.

Gastritis, and Body Pain

Name : K. C. Manjunath

Age : 45 years

Sex : Male

Place : Hiriyur, Karnataka-577 143

I am 45 years old and I am a business person, owning Nanjundeswarar Sweet Centre. I was obese for the past 4 years and my body weight was 78kg. I have a big, bloated belly and I am suffering from bodyache and gastric problems. My brother Prakash gave me a bottle of **Indian Noni** and taught me how to use **Indian Noni** regularly. I just followed what was said to me for two months. Now **my gastric problems are reduced to 50%. My huge belly is reduced half of its size.** I have no bodyache and I feel very much easy and relaxed. I did not notice any positive weight reduction at present and I want to reduce it definitely. I will continue to take **Indian Noni** till I reduce my weight to the desired level. For me **Indian Noni** is my Life-Friend !

Gastritis and Stress
