My Name is Sharath Balachandra Bansal. My mind was not interested to do any kind of work. I never feel hungry. I always have the boils in my mouth. Because of the boils, I was unable to take enough food and only restricted foods.

After taking Noni within 4 days boils stopped and I got interest in working too. I am more enthusiastic than before. I obtained more Will Power. I started eating anything and everything. I feel fresh and energetic always. I feel hungry now-a-days.

Noni was introduced to me in my life by my friend Sri Rajendra Jadav. I had a great relief and so I am thankful to him.

I am thankful to Noni Sanjeevani.
