Karnataka

On one occasion, I went to see my friend's grandmother. She was suffering with Parkinson's disease for 4 years. She was unable to sit and move on her own.

I recommended Indian Noni to her.

After a month, I was amazed to see her walking steadily on her own. She thanked me and Indian Noni for bringing back the smile on her face.

In my opinion, Indian Noni is God's gift to humanity.

I get satisfaction by recommending Indian Noni to different people with different ailments.

I get their blessings when they are free from their diseases. I dedicate all the blessings I receive, to Indian Noni.
